A busy meeting took off immediately by meeting candidates running for office in the Town of Southampton. In addition to hearing from our incumbent candidate for the Suffolk County Legislature, we heard from the unopposed Town Clerk candidate, Highway Superintendent candidates and Trustee candidates. The Director of Housing and Community Development also spoke.

Riverside Rediscovered Update

The report offered positive movement toward gaining financing toward enlarging the building to be built at Ludlam Park which will be a new permanent home for CMEE, the Children's Museum of the East End. Southampton's westernmost hamlets will glean great benefits for local children when this construction is completed. This building would also be available as meeting space for area residents of all ages. A report was also presented regarding the success of the School Supply giveaway.

Treasurer's Report

The report was accepted.

President's Report and Discussions

Those in attendance at this meeting were reminded of:

2. FRNCA's upcoming **5k Run/Walk** on October 15, 2017 and Suffolk County Community College.

Due to the lengthy list of candidates and their talks and time for questions addressed to them from the membership, the regular business of FRNCA was put on hold until the next scheduled meeting to be held on October 2, 2017.
